THE PILGRIM'S PATH

WEEKLY BRIEFING FOR CHURCH LEADERS · ISSUE NO. 5 · OCTOBER 15, 2026

NEW FOR 2027

Splendors of Egypt: In the Footsteps of Moses, Joseph & the Holy Family

The land of the Pharaohs is calling. Our 2027 Egypt journeys are now open, giving your congregation the opportunity to experience one of the world's most fascinating destinations through the lens of faith and history.

From the Pyramids of Giza and the Great Sphinx to a relaxing Nile River cruise, every day is full. Your people will walk where biblical history unfolded — sites connected to Moses, Joseph, and the Holy Family — while discovering the culture and ancient treasures that have drawn visitors for centuries.

WHAT YOUR GROUP WILL SEE

- The Pyramids, the Sphinx, and the Grand Egyptian Museum
- A cruise on the legendary Nile River
- Karnak Temple, Luxor Temple, and the Valley of the Kings
- Multiple 2027 departure dates

Egypt remains one of the most requested destinations for travelers who want a journey that blends biblical significance, ancient history, and lasting memories. And because a church pilgrimage takes twelve to eighteen months to build well, the groups forming now are the ones who will be on the ground in 2027.

If your church has been praying about Egypt, we would be glad to talk it through with you.

THIS WEEK'S REFLECTION

> *"...Out of Egypt have I called my son."*
>
> MATTHEW 2:15
>
> Egypt runs through the whole story of Scripture. Joseph was carried there, Moses was raised there, and Israel was delivered out of it. Then a young family fled there with the infant Christ, and Matthew sees even that flight as the Father's purpose.
>
> What ties these chapters together is not the land but the faithfulness of God, who preserved His people, kept His promises, and brought His Son safely through. That is worth carrying into any season of uncertainty, at home or abroad. Whether or not you ever stand on the banks of the Nile, the same Lord who led them out is leading you.

PARTNERING WITH YOUR CHURCH

Your church should not have to become a travel agency.

Partnering with us costs your church nothing. We carry the planning, the vendor coordination, the registrations, the payment tracking, and the questions from families — so your group leader can stay where he belongs: teaching and shepherding your people, before, during, and after the journey.

When your group reaches a qualifying size, your group leader travels free, and a portion of the proceeds returns to your church. We will walk you through the particulars in person.

BOOK A FREE PASTORAL CONSULTATION

No cost. No obligation. A conversation about your congregation, not a pitch.

Grateful to serve alongside you,
